STILE

Grand Italian Couture

Italian fashion is not just restricted to clothing and X Monalisa is a testament to its versatility. X Monalisa's designs ooze scintillating glamour inspired by Italian fashion.

X Monalisa is Bangladesh's leading ceramic tiles brand, which was established in the year 2013 under the umbrella of X Ceramics Group. X Monalisa has a constant focus on design, research and technological advancement to accomplish excellence in product. This consistent endeavor to innovate better has helped X Monalisa to offer a comprehensive portfolio of porcelain tiles for residential and commercial spaces.

X Monalisa has created a foundation of success based on its caliber of understanding the needs of our customers and delivering high quality designs that are fashionable, safe and long-lasting.

X Monalisa's core values of quality, innovation and respect are reflected by:

- Its desire to make new headways in the technological front.
- Endeavor to introduce Italian designs and culture in Bangladesh through the creativity of the products.
- Responsible actions to protect the environment with safe and smart processes to ensure future generations can experience the gift of nature.

The capabilities of X Monalisa are extensive, which focus on research and innovation in the ceramic industry, but also push the mantle of inspiring new trends and creating scintillating home & office décors. Monalisa aspires to be a pioneer of marvelous creations which is taking the brand high above its peers to leave behind an unforgettable legacy of artistry.

Anti Slip tiles

X Ceramics a pioneer in Bangladesh's tiling industry, which has been proven time and again by its passion for ceramics. Through the high prowess and expertise of its in-house research & development department and international collaboration, X Ceramics has become a surface and solution guru.

With a thought of care and protection for the young buds and seniors of our families, we specially developed an innovative and feature-rich range of Anti-Slip Tiles. Crafted for the various slippery areas in homes, this Anti-Slip range is a welcome addition into our portfolio of products that touch lives. Along with high durability and resistance to abrasions, the co-efficient of friction doesn't diminish on our Anti-Slip Tiles as it does on general floors. These exceptional features make these tiles ideal for application in kitchens and bathrooms.

All the matching floors of our kitchen and bathrooms wall tiles have Anti-Slip properties.
